Client Customization Options

- Choose Your Color Theme: Select from an extensive range of color themes tailored to complement your event's aesthetic.
- Customize the theme to match your unique preferences and vision. You can add flowers, foil balloons (in any shape), wooden or metal structures, and any other embellishments you desire.

Disclosure

- The price does not include delivery and take down charge.
- Please note that these decorations are preliminary designs. The final version may have minor variations from what is proposed.
- Due to unpredictable factors such as temperature, sunlight, wind, and humidity, we cannot guarantee the durability of balloons when used outdoors.
